

Contact Your Ward Councillor

This document will be continuously updated as new information is found. Many councillors' details are not accessible in the public domain despite the fact that they are public servants. Fixlocal is doing all we can to rectify this.

1. Use fixlocal.org.za to find the name of your ward councillor based on where you live.
2. Find your municipality in this document, listed alphabetically.
3. Find your ward councillor and their contact details. Councillors are listed in ascending order by ward number. You can also use your device's search function to locate them.
